Dear Mr. Randall,

I wasn't able to attend the (2-6-20) public hearings in my area in regard to Blue Granite Water Company's request for the huge rate increase they are proposing. Sir, my wife and I are retired and we only receive Social Security for our income. We live at [REDACTED] Belton, SC. And our average water bill now with Blue Granite is \$100 to \$130 per month. This is already quite a burden on us and the idea of increasing even more will impact our lives a great deal. We pay \$29.00 a month now for just the meter whether we use a drop of water or not. Mr. Randall I believe in paying a fair price for services but this company needs to be reined in. Please stop this unfair rate increase and help me and my neighbors in this regard. Your help will be deeply appreciated. God Bless You!

Sincerely Yours,  
Rickey Smith  
Belton, SC
